## 1 What are e-Library Resources?

*E-Library Resources are any library materials that are accessed electronically including databases, online journals, e-books etc.*

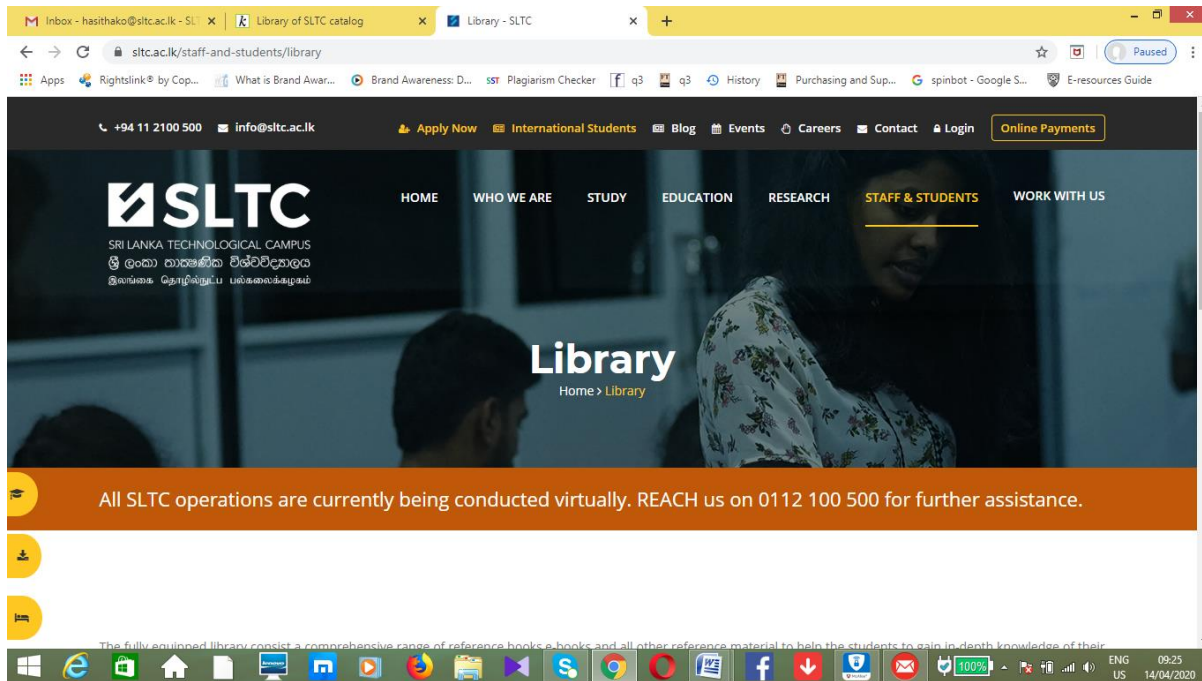

### 1.1 Advantages of an E- library Resource over a Traditional library

- Nearly unlimited storage space at a much lower cost
- Re-allocate funds from some staff, collection maintenance, and additional books.
- No physical boundary
- Round the clock availability
- Multiple access
- Enhanced information retrieval.
- Preservation for some print material
- Added value
- Universal accessibility

## 2 Library Resources at SLTC

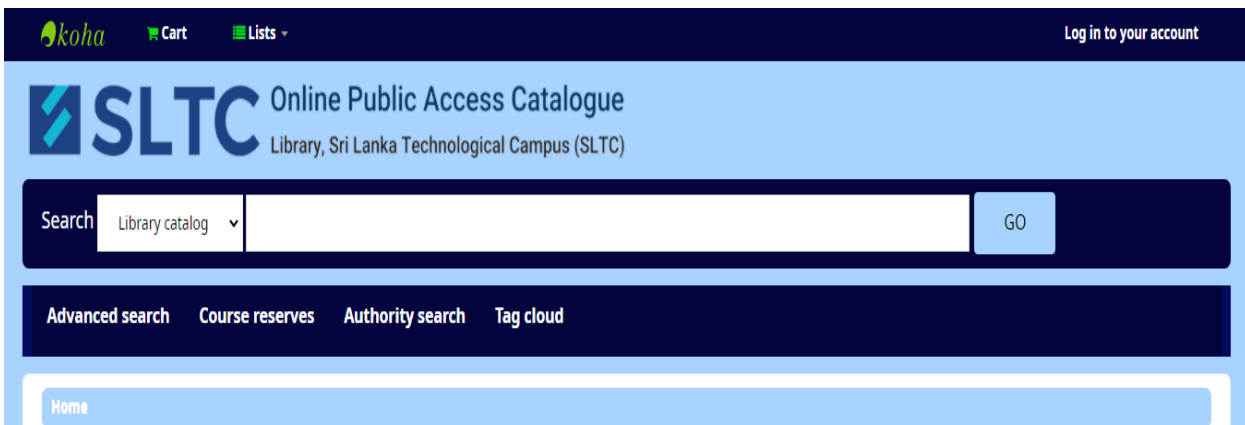

### 2.1 SLTC Library Homepage

### 2.2 SLTC Online Public Access Catalogue (OPAC)

Library books can be searched/located under Author, Title or Subject using the SLTC 'KOHA' Online Public Access Catalogue.

To access all the features of our library Online Public Access Catalogue [OPAC] [OPAC](#) you never required any proxy authentication from your browser. (Google Authentication is enabled to login via SLTC email address)

## Search by 'Title'

The screenshot shows the SLTC Online Public Access Catalogue search results for the keyword 'Management'. The search bar at the top has 'Title' selected and 'Management' entered. A yellow callout box points to the 'Title' dropdown with the text 'Select title option'. Another yellow callout box points to the 'GO' button with the text 'Type the title and click 'Go''. The search results show 63 results. The first result is 'Value innovation portfolio management: achieving double-digit growth through customer value' by Mello, Sheila | Mackey, Wayne | Lasser, Ronald | Tait, Richard. The page also features a 'Refine your search' sidebar with filters for Availability, Authors, and Collections.

## 2.2.1 Search by 'Author'

The screenshot shows the SLTC Online Public Access Catalogue search results for the author 'Laurie J. Mullins'. The search bar at the top has 'Author' selected and 'Laurie J. Mullins' entered. A yellow callout box points to the 'Author' dropdown with the text 'Select Author option'. Another yellow callout box points to the 'GO' button with the text 'Type the Author and click 'Go''. The search results show details for the book 'Management and organizational behavior' by Mullins, Laurie J. The page also features a 'Refine your search' sidebar with filters for Availability, Authors, and Collections.

## 2.2.2 Search by 'Subject'

Select Subject

Type the Subject area and click 'Go'

## 2.3 Institutional Repository SLTC (IRSLTC)

You can refer to SLTC publications and subscribed E- resources through IRSLTC.
